

Supplementary Table 7. Estimated and forecasted number of suicide deaths in females from January 2021 to July 2022

	Estimated ^a number	Scenario 1 ^{b†} (95% PI)	Scenario 2 [†] (95% PI)	Scenario 3 ^{‡†} (95% PI)
January 2021	303.02	303.79 (245–366)*	279.50 (220–347)	304.94 (252–366)
February 2021	310.86	310.23 (251–369)*	280.32 (216–355)	315.11 (256–378)
March 2021	332.58	331.44 (271–393)*	294.13 (222–377)	339.81 (280–406)
April 2021	354.18	354.59 (289–422)*	309.04 (231–399)	364.40 (300–429)
May 2021	361.21	365.91 (301–438)*	313.21 (235–411)	374.56 (313–441)
June 2021	352.78	363.77 (300–438)*	305.80 (226–402)	370.17 (306–437)
July 2021	340.70	358.51 (293–430)*	295.99 (213–396)	363.31 (302–430)
August 2021	334.70	358.89 (291–428)*	291.01 (210–395)	362.80 (302–432)
September 2021	333.36	362.59 (299–435)*	288.75 (206–394)	365.33 (301–437)
October 2021	327.51	359.21 (295–429)*	280.94 (196–394)	360.06 (297–426)
November 2021	312.03	343.12 (281–411)	263.56 (177–376)	342.41 (285–407)*
December 2021	293.59	322.22 (261–383)	243.08 (160–351)	321.83 (265–385)*
January 2022	284.52	310.84 (252–376)*	230.30 (149–346)	312.96 (254–376)
February 2022	291.88	317.43 (256–385)*	230.98 (147–356)	323.40 (264–387)
March 2022	312.27	339.13 (275–406)*	242.35 (147–382)	348.74 (287–419)
April 2022	332.55	362.81 (295–438)*	254.64 (153–402)	373.99 (308–444)
May 2022	339.15	374.40 (307–452)*	258.07 (154–419)	384.41 (319–456)
June 2022	331.24	372.20 (301–445)*	251.97 (149–413)	379.91 (311–452)
July 2022	319.90	366.83 (299–442)*	243.89 (139–408)	372.86 (309–443)

^aactual estimated numbers were calculated using the data from the Korean Statistical Information Service (KOSIS). ^bno further effects of the COVID-19 pandemic. ^ccontinuous effects of the COVID-19 pandemic. ^dbased on the periods between January 2016 and December 2020. ^ethe forecasted monthly number closest to the actual estimated number; [†]scenarios that contain the actual estimated number of suicide deaths within the 95% PI. PI, prediction interval; COVID-19; coronavirus disease-2019
